

PE-280 PERFECT EDGE™ EDGER

A New Class of Performance

5 year consumer, 1 year commercial and 90 day rental warranty.

POWER EDGERS

- 28.1cc Power Boost Vortex™ Engine Combines Power with Light Weight
- Ergonomically Comfortable for Extended Use
- Rubber Handles for a Comfortable Grip
- Commercial-grade Felt Air Filtration for Improved Air Quality and Increased Engine Performance
- Open Face, Metal Shield Reduces Clogging

PE-280 PERFECT EDGE™ EDGER

The PE-280 Perfect Edge™ Edger, in a bold new color, represents an entire new class of performance for ECHO Edgers. ECHO's new 28.1cc engine class delivers increased power combined with light weight. And that means better performance. The PE-280 features a 28.1cc Power Boost Vortex™ engine for powerful performance, rubber left and right handle grips for comfortable all day operation, commercial-grade felt air filtration for improved air quality and increased engine performance, an open-face, metal shield for significantly reduced clogging, and a replaceable steel wear plate for extended gearcase life.

An open-face, metal shield significantly reduces clogging.

A rubber throttle handle provides comfortable all day operation. The left hand grip is also rubber-coated.

A powerful, smooth-running 28.1cc Power Boost Vortex™ engine delivers performance.

5 year consumer, 1 year commercial, and 90 day rental warranty

Model	Engine Displacement (cc)	Fuel Capacity (fl oz)	Starting System	Debris Shield	Blade Length (in)	Blade Thickness (in)	Dry Weight (lb)
